PLANT A SEED, READ

Tweens Summer Reading 2025

Ages 9-12

June 27th-August 31st

Instructions

Oh no! We planted way too much in the fields and now there's no way we can harvest all of this by the end of summer! Help us harvest everything we planted by reading!

Your Reading Logs

- You have three pages, each with new ways to get entries!
- By completing challenges and reading, you can help harvest the field! You can harvest one crop for:
  - Reading! Every 30 minutes is one crop harvested
  - Come to programs! Each program you come to is one more crop out of the field!
  - After you turn this one in, you can get another one and keep going!
- By reading new genres, you can get new seed packets!
  - When you read that genre of book, write the author, name, and a short review of that book! Each book can only count for one genre.
  - Each one counts for FIVE ENTRIES.
  - You can only do this page once. When you turn it in, that's it!

Getting Prizes

- On the back of your Field sheet and on the final page of your Seed Packets booklet is your Prize Sheets. This is where you let us know which of our 8 prizes you want to try to win!

Do not forget to put your first and last name on the prize sheet!

If we don't know who you are, we can't count your entries!

- Each field sheet has 30 boxes. Each box is one equals one entry to a prize of your choice!
- The Seed Packets have 9 genres worth 5 entries each.
- You can split your entries between whichever prizes you want!
  - For example, if you've completed a field sheet and so you have 30 entries and want one prize really badly, you can put all 30 in that one. Or, if you want to try to win the LEGO Minecraft set and the squishmallow, you can put 15 in each!
- Bring the sheet back to the Kids and Tweens desk at the library and grab a new one to keep going!
- The final day is August 31st, be sure to have all of your Prize sheets turned in by then! Any sheets turned in after August 31st won't be accepted!

The Field

Harvest one crop by crossing it out for each half hour you read or for each program you come to! Each crop crossed off is one raffle entry for your choice of prize on the back!

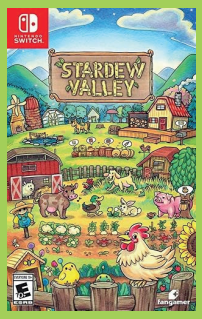

Field Prize Sheet

Name: _____

Each box you checked on the sheet behind this is one chance to win! If you got all the seed packets, you have 25 entries! Write how many entries you want for each item on the lines above their bubble!

Remember, the last day to turn this in is August 31!

The Seed Packets

It's important to have a diverse crop! You may prefer one thing or another, but it's important to try new things! Read a book in each of these genres. Each book only counts for one genre, so choose carefully! Write down the Title and author of the book as well as a few sentences about what you thought of it. Each seed packet is worth five entries! When you're done, flip the sheet over to the back to put your entries in for the prizes you want! You will only get one of these sheets, so pace yourself!
